ADOPT A SENIOR CHRISTMAS PROGRAM

Make their season a little brighter!

This year we are starting a new Christmas ministry: **"ADOPT A SENIOR FOR CHRISTMAS."** We will be "adopting" out our seniors for Christmas. This year has been tough, and many have found themselves alone a lot. Even before the pandemic, some get lonely during the holidays. Now we can brighten their holiday.

How it will work:

1. **Call Ariana (246-1966) or send an email arthurunitedmethodistchurch@gmail.com if you are interested.** You will pick a number between 1 and 30. That number will represent a senior and we will give you their name.
2. **You may call your senior to find out their needs or wants in a casual conversation** (*if you want to keep it a surprise.*)
3. **After you have found something special for your senior**, you may deliver it to them. If you are unable to deliver, call Ariana and she will make sure your senior receives their holiday surprise. I hope many of you decide to participate!
